

NAVIN POLYCON

81, D.S.I.D.C. Sheds, Scheme-I, Okhla Industrial Area, Phase-II, New Delhi-110020
Ph. : 26386392

PRODUCT INFORMATION

CARBON – X

This is a fine blend of surfactants and special solvents, which helps to release Carbon / Soot stains from fabric.

APPLICATION

Apply the fluid on the stained area and leave for 10 – 15 minutes. Brush the same or rub it slightly with a drop of Super Bright EL. Rinse off with lots of water or can be put into the wash wheel.

ADVANTAGES

- Removes Carbon / Soot stains effectively.
- Reduces discard rate.
- Easy to use.

PACKING

5 Kg HDPE Jars.

STORAGE

Store in a cool-dry place. Replace lid properly after use. Use individual dispersing unit for each product.
