## PRODUCT INFORMATION

## SUPER BRIGHT-SOUR

**BLEND OF SPECIAL CHEMICALS TO REMOVE EXCESS ALKALI & BLEACH**

### SUPER BRIGHT -SOUR

It is fine blend of Special Chemicals, which helps to neutralise alkalinity and bleach from the cloth. Normally, on repeat washing and after the cloth is dried and pressed, a yellow or pale look is observed. This is due to the residue of alkaly, which remains in the fabric, every time it is washed. But on using SUPER BRIGHT-SOUR in last rinse, this problem can be effectively sorted out. And it prevents cloth from possible damage.

### HOW TO USE:

Add Super Bright Sour, to the final rinse of the wash, for obtaining best results add only 2-3 gms per Kg. of dry load.

### ADVANTAGE:

- Prevents yellowing and possible damage to fabrics.
- Easily soluble in water
- Eco-friendly product as it helps to neutralise all detergent and chlorine available on cloth and in water.

### PACKING :

25 Kg H.D.P.E. bag.
